## **Trends, Transitions, and Strategy: Mapping the Next Socio-Economic Frontier**

On behalf of *Empirical Economics Letters*, an ABDC-listed journal, I sincerely thank the International School of Business and Media (ISB&M), Kolkata for organizing the *3rd International Conference on Emerging Socio-Economic Trends & Business Strategy (ESETBiz 3.0)* on August 29–30, 2025. The conference received an encouraging response with 89 research papers, reflecting strong scholarly engagement. From these, 17 high-quality articles were selected and published in Special Issue 3 (December 2025) on the theme “**Trends, Transitions, and Strategy: Mapping the Next Socio-Economic Frontier**”, ably edited by Dr. Sourav Kumar Das, Dr. Prithvish Bose, Prof. Pema Lama, and Dr. Maria Ochwat. I extend my appreciation to the editors, reviewers, and contributing authors for their valuable academic contributions and commitment to research excellence.
